3DWEBSOFT INC. FOUNDATION

SCHOOL FUTURE TECH PROGRAMM

Faculty Name :

Course Duration	: 5 Months (150 Days)
Classes	: Offline & Online
Daily Teaching	: 3 Hours
Total Hours	: 300 Hours

3DWEBSOFT FOUNDATION

LEVEL 1 – JUNIOR INNOVATORS (5th–6th Standard)

MODULE 1 – COMPUTER BASICS (Classes 1–20)

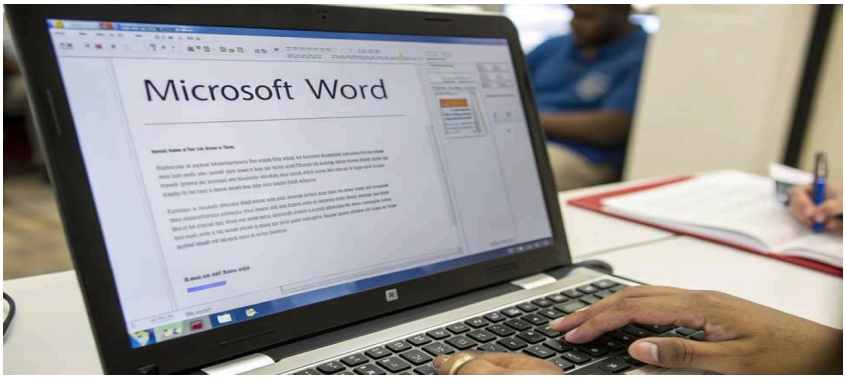

Class 16 — Creating Documents in Microsoft Word (Complete Notes)

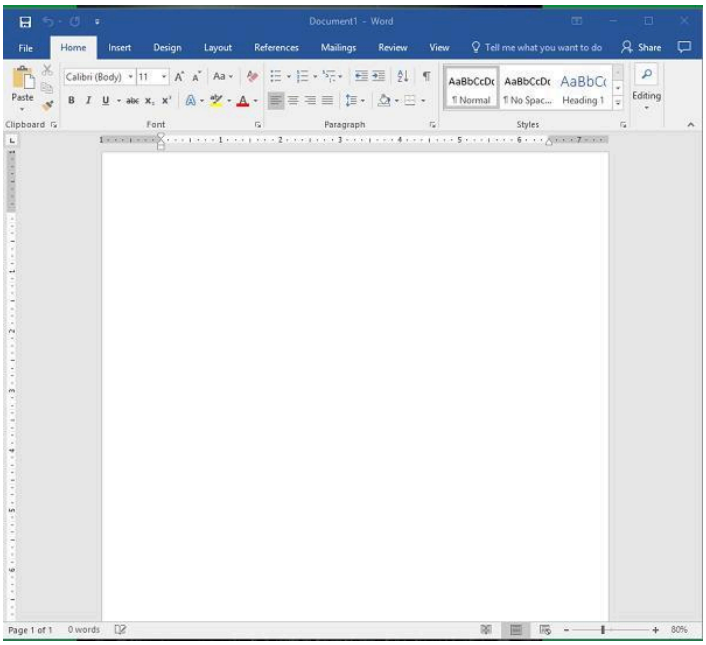

Complete Theory & Practical Notes

Learning Objectives

By the end of this class, students will be able to:-

- Understand what a document is.
- Create a new document in Microsoft Word.
- Type and edit simple text.
- Insert a title and basic information.
- Save and reopen a document.
- Create a simple interactive Scratch project.

3DWEBSOFT FOUNDATION

Session Plan

Time	Topic
20 Minutes	Introduction to Documents
40 Minutes	Creating a New Document
15 Minutes	Break
45 Minutes	Practical Document Creation
40 Minutes	Scratch Coding Activity
20 Minutes	Quiz & Homework

Introduction

A **document** is a file that contains text, pictures, tables, or other information.

Using **Microsoft Word**, we can create many types of documents for school, home, and office.

Simple Definition

A document is a file created to store written information, pictures, or other content.

Types of Documents:-

Students can create:-

- School Assignments
- Essays
- Project Reports
- Letters
- Invitation Cards
- Notices
- Lists
- Stories

How to Create a New Document

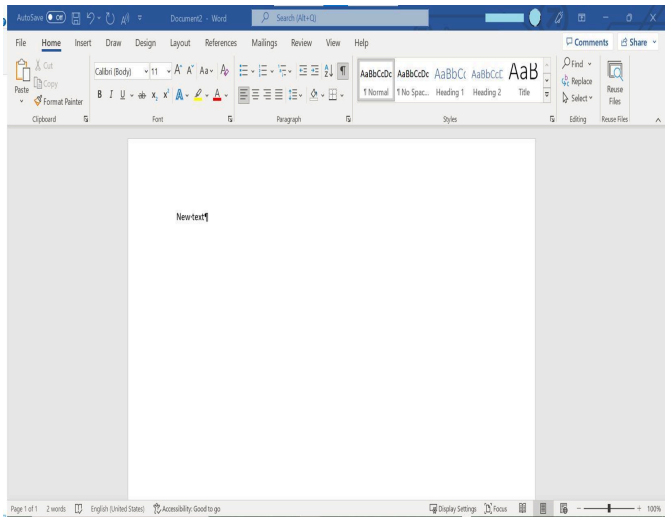

Steps

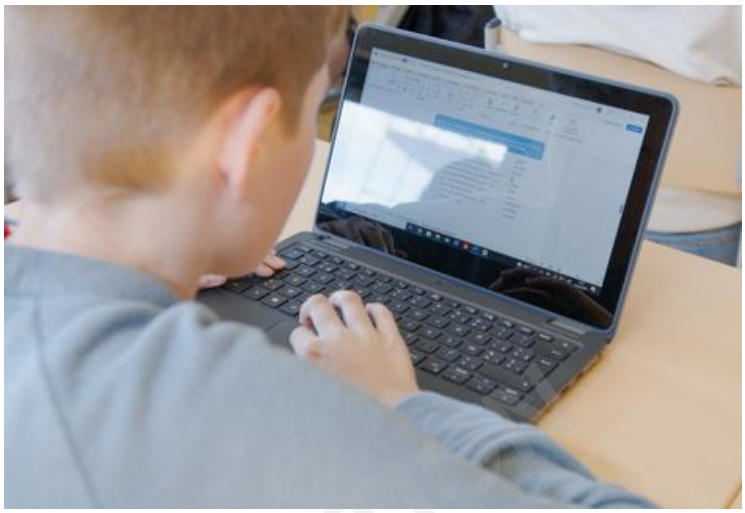

1. Open **Microsoft Word**.
2. Click **Blank Document**.
3. A new page opens.
4. Start typing your information.

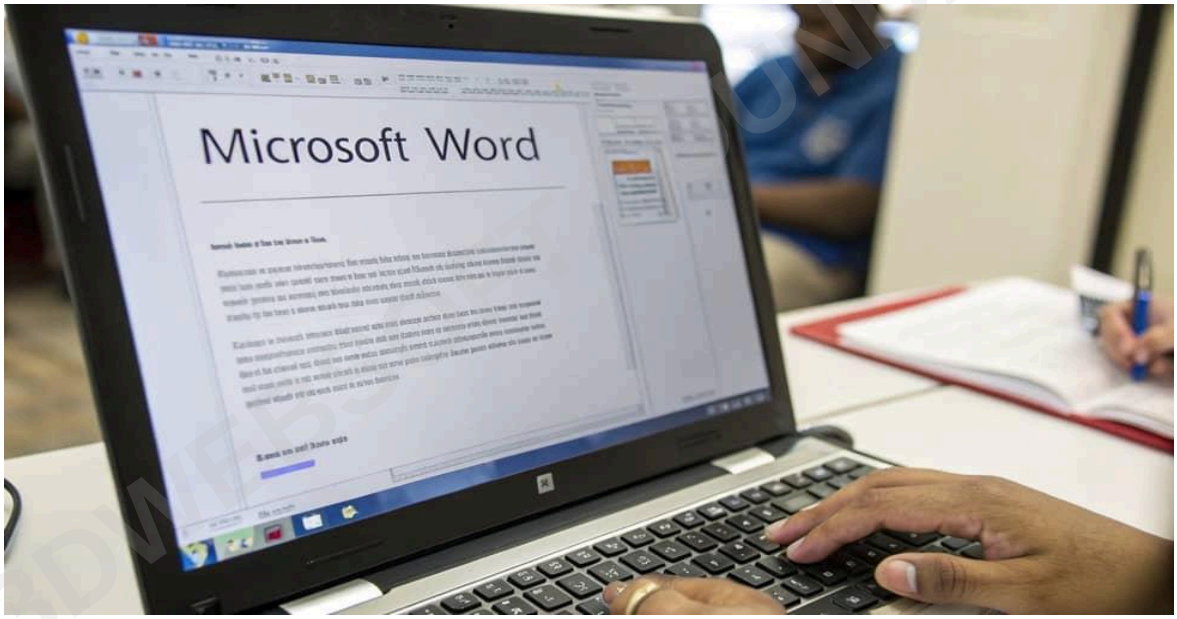

Parts of a Document

Part	*Purpose*
Title	Name of the document
Heading	Main topic
Paragraph	Detailed information
Pictures	Makes the document attractive
Shapes	Decorative elements
Footer	Information at the bottom (optional)

3DWEBSOFT FOUNDATION

Practical Activity 1 – Create Your First Document

Open **Microsoft Word**.

Type the following:

MY SCHOOL

School Name : _____

Student Name : _____

Class : _____

Section : _____

My school is a wonderful place to learn.
I enjoy studying with my friends.
Our teachers help us become good students.

Practical Activity 2 – Format the Document

Students will:-

- Make the title **Bold**
- Increase the title size to **20**
- Change the title color to **Dark Blue**
- Center-align the title
- Change paragraph font size to **14**

Practical Activity 3 – Insert a Picture

Students will:

1. Click **Insert**.
2. Select **Pictures**.
3. Choose a school picture (if available).
4. Resize and move the picture.

Practical Activity 4 – Insert Shapes

Students will insert:-

- Star
- Heart
- Rectangle

Apply different colors using **Shape Fill**.

3D WEBSOFT FOUNDATION

Practical Activity 5 – Save the Document

Steps:

1. Click **File**.
2. Click **Save As**.
3. Select **Documents**.
4. File Name:

MySchool.docx

5. Click **Save**.

Practical Activity 6 – Open and Edit the Document

Students will:-

- Open **MySchool.docx**
- Add one more sentence:

I love learning computers and technology.

- Save the document again.

Mini Project – My Favorite Animal

Create a document with:-

Title: My Favorite Animal

Include:-

- Animal Name
- Where it lives
- What it eats
- Why you like it
- One picture (if available)

Example:-

MY FAVORITE ANIMAL

3DWEBSOFT FOUNDATION

My favorite animal is the elephant.

It is a large and intelligent animal.
It lives in forests and grasslands.
It eats grass, leaves, and fruits.

I like elephants because they are strong and kind.

Save the file as:

FavoriteAnimal.docx

Beginner Coding Activity (Scratch)

Objective

Create a simple project where a sprite introduces itself.

Steps

1. Open Scratch.
2. Keep the Cat sprite.
3. Add the following blocks:

When Green Flag Clicked
Say "Hello! My name is Scratch Cat." for 3 seconds
Wait 1 second
Say "Today I created my first document!" for 3 seconds
Wait 1 second
Say "Learning is fun!" for 3 seconds

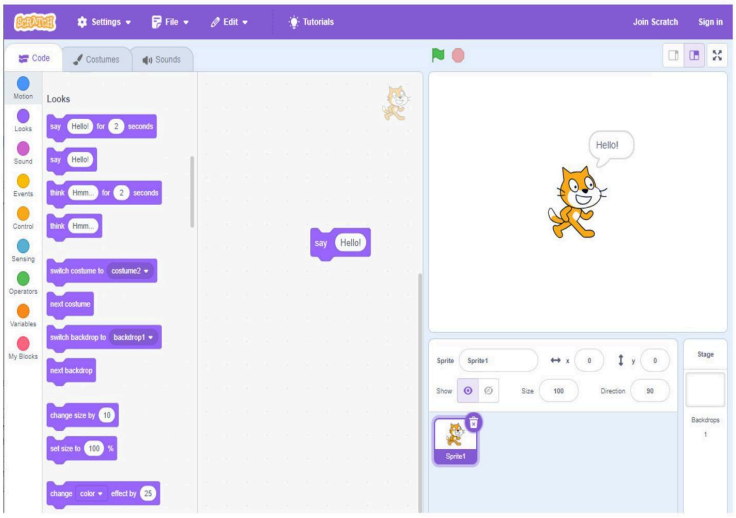

Challenge

Change the messages to introduce yourself.

Example:

Hello!
My name is Rahul.
I study in Class 5.
I love computers.

Classroom Activity – Create a Birthday Invitation

Students create a simple invitation.

Example:-

🎉 BIRTHDAY INVITATION 🎉

You are invited to my birthday party.

Date : _____

Time : _____

Venue : _____

From,

_____

Add colorful shapes and a picture.

Group Activity

Each group creates a document on one topic:-

- Save Trees
- Clean Earth
- Save Water
- Importance of Reading

Present the document to the class.

Quiz:-

Fill in the Blanks

1. A document is a _____ that stores information.
2. We create documents using _____ Word.
3. The _____ tab is used to insert pictures.
4. The _____ button saves a document.
5. Word documents are usually saved with the extension _____.

Answers

1. File
2. Microsoft
3. Insert
4. Save
5. .docx

Think and Answer

1. What is a document?
2. Name four types of documents.
3. How do you create a new document?
4. Which tab is used to insert pictures?
5. Why should we save our documents?

Homework

1. Create a document titled **"My Best Friend."**
2. Write **8–10 sentences** about your best friend.
3. Insert one picture (if available).
4. Make the title colorful and bold.
5. Save the file as **MyBestFriend.docx**.
